To Whom It May Concern,

I highly recommend Emma Welch for any future opportunities in graphic design, marketing support, or other creative fields. Emma has served as an Associate Graphic Designer at Myriad Art and has been a valuable marketing team member, servicing our four brands.

From the outset, Emma was eager to learn about our brands and demonstrated exceptional creativity and technical skills. She has played a role in developing visually compelling designs for a wide range of projects, including booklets, flyers, newsletters, and web content. Her proficiency in Adobe Creative Suite and her understanding of design principles, typography, color theory, and layout composition have allowed her to create designs that align with our brand standards and elevate our brand's visual identity.

In addition to her design work, Emma has also contributed significantly to our social media content creation and various brand newsletters and e-blasts, demonstrating versatility and a deep understanding of how design supports broader marketing efforts.

Beyond her technical abilities, what truly sets Emma apart is her outstanding attitude and ability to work collaboratively with others. She is always positive, approachable, and eager to contribute, regardless of the task. Her willingness to embrace feedback and make necessary revisions, no matter how many times it takes to get things perfect, is a testament to her dedication and professionalism.

It has been a pleasure to work with Emma, and I am confident that she will be a valuable asset to any team she joins.

Sincerely,

Demitrious Mitchell
